

Facial Upgrades: Customize Our Facial to Your Skin

Masks

- Advanced Vita Mineral Deep Detox Mask** \$5
This is a great mask for someone looking to even out skin tone & texture. The activated coconut charcoal filters out toxins, leaving the skin fresh and clean.
- Flaxx-C Firming Mask** \$5
If you're looking to lift, firm, and tighten, then this is the mask for you. This anti-aging mask is formulated with flaxseed, which is rich in omega-3 fatty acids and helps strengthen the skin. Red rooibos tea brightens and protects from free radical damage.
**Anyone with allergies to milk & eggs should avoid this product.*
- Amino Mask** \$5
This mask is made to treat and heal acne breakouts. The 5% sulfur penetrates pores, removes excess oil, and reduces pimples. It also contains lactic acid which removes the build-up of dead skin cells, leaving the skin smooth and clear.
- V-Neck Firming Mask** \$5
This anti-aging mask will tighten, soften, and smooth a sagging neck, as well as the v-neck tissue. It contains albumen, which helps to firm, as well as algae extract to strengthen. If you're looking to stimulate collagen production, reduce the loss of elasticity, minimize lines and wrinkles, and smooth rough texture, then give this mask a try.
**Anyone with allergies to shellfish, iodine, or eggs should avoid this product.*

Scrubs

- Hands (\$10) Feet (\$10) Combination (\$15)
- Citrus Sugar Scrub**
Jojoba, Olive, and Safflower oils are combined with grapefruit essential oil and sugar to create a body scrub that will leave your skin feeling great. This fresh citrusy scrub is used to remove impurities and dead skin, leaving you feeling rejuvenated.
- Lavender & Rosemary Salt Scrub**
Using a combination of Dead Sea Salt, Jojoba, Olive, and Safflower oils, this treatment is sure to make your skin feel fresh and smooth. The scrub removes impurities and dead skin cells, while also moisturizing the skin.
- Eucalyptus Peppermint Salt Scrub**
With the combination of Dead Sea Salt, Jojoba, Olive, and Safflower oils, and scented with peppermint and eucalyptus, this scrub is sure to awaken your skin and mind. This scrub removes impurities and dead skin cells, while stimulating your mind and body.

Peels

- Lactic Plus Peel** \$10
This is an advanced liquid gel exfoliator that is formulated with organic lactic acid and pumpkin fruit enzymes. It's great for aging skin, pigmented spots, and clogged, dull skin.
- Glycolic Detox Charcoal Peel, Level 2** \$15
This peel contains Activated Charcoal and Willowherb to soften milia, reduces pore size and lines, and brightens dark spots. This is meant for more resistive skin that can tolerate the Lactic Plus Peel.
- Glycolic Detox Charcoal Peel, Level 3** \$15
This peel contains Lactic Acid, Activated Charcoal, and Willowherb. It is meant for stubborn or thick skin that's resistive. It unclogs stubborn pores, softens deep pores, improves the appearance of lines/wrinkles, lightens moderate levels of hyper pigmentation, and also detoxifies.

Paraffin Wax Treatments

- Mask** \$10
This is a great add-on to any facial. The warm paraffin has a soothing and therapeutic effect which helps increase circulation, open pores, and soften the skin. It is great for anyone, especially those with dry skin, because it will leave the skin hydrated and will leave you feeling and looking fresher and younger.
- Hand Dip** \$5
This is the perfect add-on for tired & over-worked hands. The warmth of the paraffin will moisturize the skin, leaving your hands softer and more radiant. Your hands give away your age quicker than you may think, so why not take care of them?

Waxing

- Eyebrow \$17
- Chin \$14
- Lip \$14
- Neck \$5-\$20
- Sideburns \$14
- Underarm \$24

Although small facial waxing may be added to a facial as an upgrade, we do advise against it and recommend scheduling it for another day.

All other body waxing must be booked as a separate session.

Please ask your esthetician for details.
